

Top 10 reasons why couples split...

01 **Bad behaviour**

Smoking, drinking, betting, drugs, etc

02 **Cheating**

Was it a kiss or a full blown affair?

03 **Misdirected anger**

You've had a bad day, now everyone must suffer

04 **Being unsupportive**

Teamwork, or it won't work

05 **Toxic people**

May be a control issue or a negative influence

06 **No affection and attention**

Listening, hand holding, cuddling (and yes, sex)

07 **Lying**

Do it and your mate will lose all trust in you

08 **Stealing**

Financial issues account for over 30% of divorces

09 **Giving up**

What happens when you don't put the hard work in

10 **Not communicating**

The more you talk, the better you will feel
